Mr. Joe Ward

Phila Pa.

Dear Sir:

Your letter of June 1st received. I wrote you once before and told you our league teams had to receive a minimum guarantee of \$100.00 for night games, and \$75.00 for twilight games. I suppose the letter must have gone astray.

It would be easy for me to go to Easton, and in fact most of the spots you mentioned in a previous letter, but I must be assured of the amount mentioned.

Very Truly Yours
